

SHAKEN, NOT STIRRED

CATHEDRAL BALL 2023

The School of the Cathedral of Mary Our Queen has been a member of the greater Baltimore community since its inception in 1871. This year the School has nearly 400 students from grades kindergarten through eighth grade. Cathedral students over the years have gone on to excel in many areas in Baltimore's high schools and then beyond. Many now are back on campus as parents of their own children. We are truly educating and supporting tomorrow's leaders. This school community is a very special one!

Each year, a group of dedicated parent volunteers work collaboratively with the school to hold the Cathedral Ball, the school's largest fundraiser. The proceeds from past balls have greatly enhanced the experience of students, faculty and staff. This year's ball - Shaken, Not Stirred - will be held at Rye Street Tavern on Saturday, May 6, 2023.

The funds raised this year will go directly to the improvement of some of the school's most necessary projects. As a leader in the Baltimore community, we respectfully request your sponsorship of the 2023 Cathedral Ball. Attached you will find the various opportunities to support the School of the Cathedral and have a direct impact on our student body and faculty.

We thank you in advance and look forward to hearing from you.
